11 2. Summary of Advance Fees Paid and Costs Reimbursed.

12 No advance fees or costs were paid or reimbursed.

13 3. Professional Fees. The firm charges for its

14 professional services based upon time, nature, extent, and value

16 Southern California area. Presently, the expenses for which the  
17 firm customarily charges its clients include only photocopying  
18 and telecopying charges, long distance telephone (at cost),

12 of the firm's time reports and records kept in the regular course  
13 of business, reflecting the services rendered and the expenses  
14 incurred by the firm in connection with representing the client  
15 in this case. The firm's time reports are prepared by the  
16 accountant performing the described service. The time reports  
17 are organized on a daily basis and no entry is made for a service  
18 until at least one-tenth of an hour is spent separately or in  
19 aggregate with other services performed for that client by the  
20 reporting individual.

21 For the billing period June 2005 my firm expended 120.4

1 neither I nor any of the other members of my firm have any  
2 connection with the client herein, its members, its creditors or  
3 any other party in interest in this case.

4 Neither I, nor any employee of my firm has any interest  
5 adverse to the client in any matter related to this case. I have  
6 also made inquiry and have determined that my employees and I are  
7 considered "disinterested persons", and accordingly I am  
8 qualified to act in the capacity as Receiver for the client in  
9 this case.

10 8. Posting on Web Site. As done for the previous Fee  
11 Applications, in lieu of serving this Fee Application on all of
